ACN 121 645 145

Where will my money go?
BrainLink uses fundraising to support their direct services to families. So that includes the telephone helpline, respite for carers, getaways for the person with ABI and fact sheets to give to families.

$20 will cover the cost of sending an information pack to a family
- BrainLink sends in excess of 600 kits a year!

$50 will subsidise a carer to attend an information & support course

$150 will subsidise overnight respite accommodation for a carer and their loved one on one of our retreats

$500 will assist BrainLink to run a one-day information seminar

$1000 will subsidise a four week support course

$5000 will sponsor 5 carers on our 3 day respite retreat

Our Family Services actually run about 10 Information and Respite Retreats a year, so it is easy to see how much your support is needed. There are many more families in the community who would benefit from BrainLink family services.
